Eternal Rest grant unto the soul of Maria Quinn.

May her soul rest in peace.

Pope Francis

"Let us listen then, throughout this Lent, to the voice of the Lord who does not tire of repeating: go to your room, return to your heart. It is a salutary invitation for us, who so often live on the surface of things, who are so concerned to be noticed, who constantly need to be admired and appreciated. Without realizing it, we find ourselves no longer having an "inner chamber" in which we can stop and care for ourselves, immersed as we are in a world in which everything, including our emotions and deepest feelings, has to become "social" - but how can something be "social" that does not come from the heart?"

SHARE LENT 2024 - TRAINING NEXT GENERATION FARMERS IN INDONESIA

In rural Indonesia, young people are abandoning agriculture to work in cities. Over time, this could threaten food sovereignty.

Our partner PAYOPAYO empowers village communities to work together to find solutions to common challenges related to agriculture, food, energy, natural resource management and the engagement of youths, especially women. You can read more about PAYOPAYO in the Mini-magazine given out two weeks ago. Copies are available at the back of the church.
