Just as we know how to distinguish one language from another, we can also distinguish the voice of God from the voice of the evil one. The voice of God never forces us: God proposes himself, He does not impose himself. Instead, the evil voice seduces, assails, forces: it arouses dazzling illusions, emotions that are tempting but transient.

At first it flatters, it makes us believe that we are all-powerful, but then it leaves us empty inside and accuses us: "You are worth nothing". The voice of God, instead, corrects us, with great patience, but always encourages us, consoles us: it always nourishes hope.

Dear Parishioners,
Join us for the Project Advance annual appeal in 2024 as we focus on "Building Our Parish Community."

This year, our goal is to raise \$20,000. The Diocesan goal is \$10,200 to be contributed to the Archdiocese.
Any additional funds raised beyond our goal will directly benefit our parish. Father Nic has proposed using these funds for the Parish Sound System.

We appreciate your continued generosity and support.
